

## DECLARATION OF SUPPORT

I agree that an Austrian architecture museum is needed. I endorse the **Az W im Semper-Depot** concept developed by the Architekturzentrum Wien, and call upon all of those participating to ensure the advancement of the idea.

I consent to the use of my name in the dissemination/realisation of the **Az W im Semper-Depot** concept both online, on the Az W website, as well as in printed matter published to the same ends.
