

## **LINA BO BARDI: TOGETHER**

17.05 – 12.06.2013, Halle F3

OPENING RECEPTION: THU 16.05.2013, 7PM | PRESS CONFERENCE: THU, 16.05.2013, 6PM

'Lina Bo Bardi: Together' is a film and art installation celebrating the work of the eponymous Italo-Brazilian architect, who has left an impressive legacy. The exhibition is a collaboration between Noemí Blager, Madelon Vriesendorp and Tapio Snellman. It focuses on how people use the buildings by Lina Bo Bardi. Re-enactment enables viewers to experience the buildings directly in their urban context. The exhibition design is by Assemble, a London design and architecture collective. It reflects Bo Bardi's vision of socially responsible architecture. 'Lina Bo Bardi: Together' premiered in winter 2012 at the British Council Gallery in London, and is now on tour through Europe — the Az W is one of the first stops on this tour.
